The process

- The NCC verifies that the University is accredited or *otherwise eligible*.

- NCC can decide on the category of grade (pass mark), part of general agreement with the university

- The University submits a list of successful graduates to the NCC. It is an excel list and a signed hardcopy, which contains in a row for each candidate: Name, Date of Birth, Place of Birth and e-mail address.

- The NCC sends the approved order to the ECBL Office.

- ECBL invoices NCC € 25/certificate

- NCC invoices University € 50/certificate

- Payment of the fee is in bulk from the University to the NCC

- ECBL issues certificates with value date of 5 years

- cESLog certificates are sent in bulk to the NCC (or directly to the University in agreement with the NCC)
