

ROUNDTABLE:

How to foresee the future of air cargo transportation?

10th November 2020

WEBINAR ONLINE CONFERENCE

MODERATOR

Didier Granger

PRESIDENT AND CHIEF
EXECUTIVE OFFICER OF
OEMSERVICES

Speakers

- Will this sector be impacted by a slow recovery of the passengers traffic?
- Will the pressure of climate change increase? How will the stakeholders react to this requirement?
- Will the types of aircraft evolve?
- Will the integrators confirm their supremacy? Do you see a change in the goods that are transported?
- Do you see customer requirements changing: more or less Express / parcel deliveries, more or less e-commerce etc.?
- Will tomorrow look like yesterday ?
